- Birth certificate (copy)

- School reports for the two previous years and current reports as soon as available
- A cover letter from the student
- A letter of recommendation for the parents, written by family, friends or professional relations. (Waived if siblings are already enrolled.)

- If parents are divorced or legally separated, enrolment consent signed by both parents.

Optional material for children who are attending schools whose primary language of instruction is not French, as well as independent “hors contrat” schools in France or schools that are not “homologuées” by the French Ministry of Education abroad.

- An independent **standardized test** in the student’s preferred language. This assessment helps us gauge the student’s aptitude to follow a demanding curriculum when the current school reports are not easily readable by the admissions team.

(Please have the test report translated if it is not administered in English or in French.)
